

## STATEMENT OF PURPOSE

RS27290 / S1261

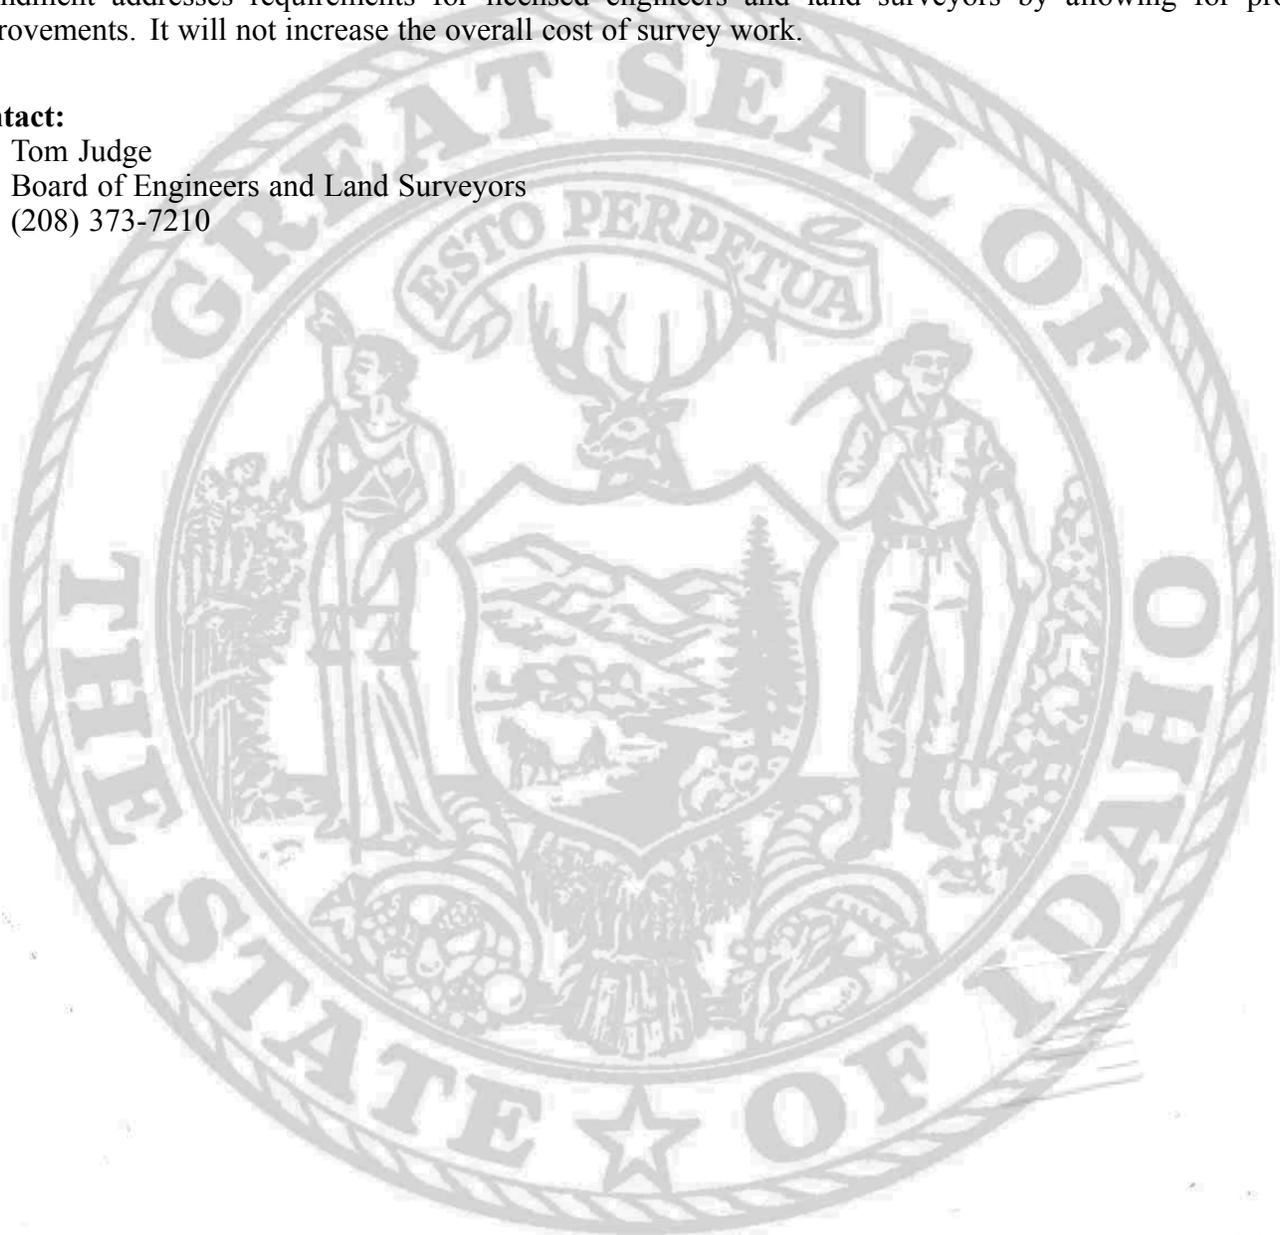

The proposal improves the process for renewal and reissuance of licenses. It removes unnecessary language. The amendment better defines and clarifies when land survey monuments are required.

## FISCAL NOTE

There is no fiscal impact to the State of Idaho General Fund or the dedicated fund of the agency as the amendment addresses requirements for licensed engineers and land surveyors by allowing for process improvements. It will not increase the overall cost of survey work.
